WHO WE ARE

Loco Ropes is a heart-pumping ground, tower, and treetop adventure of over 35 obstacles, or “elements,” located at the Ozark Folk Center State Park in beautiful Mountain View, Arkansas. All aboard for higher adventure in the Natural State!

WHAT WE OFFER

“Loco” is Spanish for “crazy,” and for many of us, performing challenging feats high above the forest floor is, well, crazy – thinking of doing it only when pigs fly. But fly they must, because as Walt Disney said, “It’s kind of fun to do the impossible!” Or as we say, “It’s Sooie-T!”

TREETOP ADVENTURE

Loco Ropes is a high wire forest adventure for fun loving folks of all ages. Our 3 Loco Lines, made up of 30+ elements, such as ziplines, tarzan swings, rope bridges, and swinging logs, offer challenges from the mildly cautious to the seriously adventurous! Our full course, End of the Line (Loco Lines 1, 2, & 3), takes approximately 3 hours to complete. Our shorter excursion, Short Line (Loco Line 1), takes about an hour to complete. Our Loco Crew equips and trains you to negotiate the treetop course by use of a continuous belay system that keeps you connected to the course’s safety cable wire from beginning to end. Children may trek the course unaccompanied and be supervised from the ground provided they are at least 12 years old and 58” tall. Our scheduled training times are available on a first-come-first serve basis. BOOK your Treetop Adventure online or by phone at locoropes.com, (888) 669-6717!

TOWER ADVENTURES

If you’re looking for an introduction into our adrenaline fueled world, try our Tower Adventures: the 300 foot Flying Pig Zipline with a bonus roundtrip cable ride to the tower platform, the 35 foot HotShot FreeFall that cable drops you straight to the ground, and the Planks Peak Climbing Wall giving you 5 attempts with beginner to advance climbing choices. It’s the perfect adventure for those looking for a quick shot of excitement. Our Tower Adventures require no scheduled training and are available on a walk-up basis.

RECREATIONAL

Come solo or with a friend, no organized event needed. Loco Ropes Treetop Adventure Park is your playground in the trees, no matter your age! Our height and weight requirements are as follows:

minimum height......... 43” for the Treetop Adventure
maximum weight.......... 250 lbs for the Tower Adventures
minimum weight......... 30 lbs for Tower Adventures

GROUP EVENTS

At Loco Ropes, prepare to have an unforgettable and empowering experience that will continue to unlock insights long after your Event is over, benefitting both you and your group.

I am not exaggerating when I tell you it was like getting everything on your wish list on Christmas morning... Adrenaline fueled excitement turned into a great sense of accomplishment.

LEADERSHIP & RELATIONSHIP DEVELOPMENT

Discovery Thinking
For Young Explorers 12 and Under

Discover the adventure that awaits you at Loco Ropes and the Ozark Folk Center State Park. We provide a hands-on, memorable experience, encouraging students to explore, dream, and imagine. First students will bond through a series of fun but engaging activities to learn lessons in teamwork, trust, and critical thinking. From there, discovery may occur at new heights, such as with our Flying Pig Zipline, where they will soar among the treetops to help develop a new perspective of their surroundings.

Just imagine your students on a mission to deliver medicine to the next town for a very sick person. In their journey they find a raging river to cross. They only find a few items on the shore to cross. Using one of those few items, they will have to work together as a team in order to find a way to cross the river. Will they succeed? Come to Loco Ropes to watch the adventure unfold as your students find a way to cross the river through discovery thinking.

You may continue the hands-on experience at the Ozark Folk Center. With special activities designed for children of all ages, the Ozark Folk Center is more than a children’s museum, and it’s even more than living history for kids. It is a “see, touch, and do” pioneer adventure – an experience adults and children, alike, will treasure for years to come.

It is our goal for students to return with a greater appreciation for others, the outdoors, and adventure, making for a memorable, educational experience.

Turn Up The Volume
For Young Adults

We are committed to Turn Up the Volume on healthy and successful team dynamics. By participating in an Ir! Event, your team will have an opportunity to silence the noise that has stifled members in the past with activities that foster achievement through engagement. We challenge each member individually and the group collectively. Communication skills, critical thinking, improved relationships, and productive goal setting are the areas in which we Turn Up the Volume.

Loco Ropes’ activities are designed to bring individuals to life through a series of challenges that inspire growth with age appropriate fun. All we do is designed to challenge students and enable them to reach new levels of achievement. After attending Ir!, your student will graduate with a greater understanding of self perception and group dynamics.

So whatever group you may be:
- Sports Team
- Church Youth Group
- School Group
- Scout Troop

Come to Ir! to experience new learning models that take individuals outside their normal setting and encourages them to interact outside of their established patterns. The process brings people together in a powerful way while teaching new productive ways to work together and increase a positive self-perception. Don’t settle for mediocrity when you can Turn Up the Volume for your Team at Loco Ropes!

Dimensions of Success
For Adults

For those looking for ways to challenge your group, promote cooperation, improve communication, and increase productivity, Loco Ropes (Ir!) offers 5 teambuilding events that vary in activities and lengths to accommodate your needs. Each event is sure to get people energized, communicating, and laughing. It is all designed to strengthen each individual’s leadership skills and the team's relationships and reinforce essential team concepts like:
- Communication
- Trust
- Collaboration
- Positive Feedback
- Innovation
- Creativity
- Motivation

Here are a few examples of groups that can benefit from an Ir! Dimensions of Success event:
- Board of Directors
- Sales Staff
- Management
- Corporate Profit Center

Creative, innovative, and energizing, Ir! experiences are hands-on, involving participants in action-based learning. Each activity is designed to reinforce a key principle that helps promote group success.
